

New York Outreach and Enrollment Summits 2015: *Looking Back, Looking Forward*

This year's regional summits will continue to bring together stakeholders and community leaders to develop coordinated plans for outreach and open enrollment in 2015.

Navigators, health advocacy groups, health insurance plans, community groups, healthcare facilities, Certified Application Counselors, unions and small business representatives will come together to examine best practices, and share strategies, resources and partnerships to maximize enrollment in NY State of Health, the state's insurance marketplace, taking into account the introduction of the Essential Plan in 2016. Participants will be able to volunteer for a number of enrollment and outreach tasks, and get their organizations involved.

Over 2.1 million New Yorkers enrolled in a health plan through Feb 28, 2015. We must continue the work of making sure all New Yorkers are covered!

Local groups should come to the summit that covers their region. Statewide groups are urged to send their local affiliates.

SPONSORS:

- Citizen Action of New York
- Community Health Care Association of New York State (CHCANYS)
- Community Service Society of New York
- Healthcare Education Project (1199SEIU/GNYHA)
